Note:

Non-traditional programs are identified based on the nationally identified nontraditional programs of study as provided by USDOE Office for Vocational Education. A copy of this cross walk is located on the Peer Collaborative Resource Network (PCRN) website at <http://www.edcountability.net/crosswalks.cfm> . The crosswalk identifies these programs of study based on the CIP codes (Classification of Instructional Programs) that are developed by the National Center of Education Statistics (NCES) and assigned by the State Council for Higher Education in Virginia (SCHEV) for the VCCS.
